

EKC2023

Wednesday, August 16, 2023

[HPI] The Green Hydrogen Society of the Future: The Green Hydrogen Society of the Future - Venus 2 (2:50 PM - 4:20 PM)

time	[id] title	presenter
2:50 PM	[M90] Molecular Engineering Approach Toward Improving Hydrogen Storage and Releasing Performance of LOHC	Dr PARK, Ji Hoon
3:10 PM	[M5] New Concept Development on Green Hydrogen Production & Liquefaction Platform	Prof. HWANG, Jihyun
3:30 PM	[M57] Harnessing International R&D Collaboration to Advance Hydrogen Ecosystem in Korea	OH, Sang Jin
3:50 PM	[M59] Photothermally boosted electrolysis for hydrogen production from water	Dr BAE, Dowon
